Why doesn't the EPA care more about our economy and jobs?

The EPA plan, from what I hear, will be fantastic for the river and wildlife. That makes me happy. That's what Portland and Oregon need. But I hope that you also make sure to come up with a flexible plan that also minimizes the cost impact on the businesses that work in the harbor.

Please do what's right for the harbor workers and the families who depend on those jobs.

Sincerely,
